Geography

Leave this question paper behind at the end of the exam

Time allowed: 90 minutes

This paper consists of six questions in two sections:

- Section A (data response)
- Section B (essays)

You must answer Section A, and answer **TWO** questions from Section B.

You should aim to spend no more than 30 minutes on each answer. Credit will be given for relevant sketch maps and diagrams illustrating your answers, but these are not required.

All questions carry equal marks.

## SECTION A

This question *must* be answered.

### QUESTION 1

Consider the video (and/or the stills provided below). Discuss the content of the video from two different perspectives.

[20]

## SECTION B

### QUESTIONS 2-6

Answer *two* questions from this section. Please start each question on a new sheet of paper.

2. How do plants and animals interact with the development of landforms?
3. How can we best accelerate the transition to net-zero?
4. Social mobility in the UK is poor relative to most comparably high-income countries. Why?

*(A simple definition of social mobility is: doing better or worse in terms of lifetime outcomes than your parents)*

5. Are transnational corporations more important than nation states?
6. What makes a place sacred?

Each question is worth 20 marks
